📅 2-Year CSS Study Plan (24 Months)

📌 Phase 1: Foundation Building (Months 1–6)

Goal: Build English, GS&A, and Islamic Studies — the base for all other subjects.

- **English Essay + Precis & Composition**
  (ongoing throughout 2 years) — 1 hour daily practice (writing, vocabulary, grammar)
- **General Science & Ability (GSA)**
  Finish theory + start practice MCQs
- **Islamic Studies**
  Read conceptually, start past paper review
- Light reading of newspaper (Dawn) for Current Affairs habit

📌 Phase 2: Compulsory Mastery (Months 7–12)

Goal: Finish all compulsory subjects and begin one optional subject.

- **Pakistan Affairs** – Focus on historical timeline, ideologies, constitutional developments
- **Current Affairs** – Continue with Dawn, monthly journals, and opinion articles
- **Start Computer Science (Optional)**
  Focus on theory + past MCQs

📌 Phase 3: Optional Subject I & II (Months 13–16)

Goal: Prepare 2 high-scoring optional subjects fully.

- **Computer Science** – Finalize prep, solve past papers
- **Business Administration** – Study management, finance, marketing basics
- Start mock tests for English, Pakistan Affairs, and Islamic Studies

📌 Phase 4: Optional Subject III & IV (Months 17–20)

Goal: Finish 2 more optional subjects.

- **Environmental Science** – Theory + diagrams + MCQs
- **Geology or Applied Mathematics** (whichever you feel stronger in)
- Continue English & Current Affairs practice

📌 Phase 5: Optional Subject V & Final Review (Months 21–22)

Goal: Finish last optional and revise the entire syllabus.

- **Islamic History & Culture OR Philosophy**
- Begin revision cycles of all compulsory subjects
- Practice full past papers

📌 Phase 6: Mock Exams + Final Polishing (Months 23–24)

Goal: Polish writing, time management, and boost confidence.

- **Weekly mock tests of each subject**
- **Essay and precis under exam conditions**
- **MCQs for GSA, Islamic Studies, Current Affairs**
- **Revision of weak topics**

🧰 Resources to Use Alongside:

- **Dawn newspaper (daily, for current affairs and essay vocabulary)**
- **Past Papers (download 10+ years and practice regularly)**
- **Online Lectures (YouTube, CSS mentor channels)**
- **CSS Forums/Reddit for guidance and notes**

📘 **2-Year CSS Preparation Table**

Phase	Months	Focus Area	Subjects / Activities
